

Model Agreement between the Department of Veterans Affairs and individual State Public Assistance Agencies (SPAAs).

The signatory to this Model Agreement authorizes the entity named below to participate in the Public Assistance Reporting Information System (PARIS) project facilitated by the United States Department of Health and Human Services, Administration for Children and Families. The PARIS project will match public assistance data against data from The Department of Veterans Affairs as described in the Computer Matching Agreement executed by the Department of Veterans Affairs Data Integrity Board on October 21, 2003 and published in the Federal Register on October 30, 2003. This entity named below acknowledges its understanding of the terms and conditions of said Computer Matching Agreement. The entity named below further acknowledges that its compliance with the terms and conditions of the Computer Matching Agreement is required in order to participate in the PARIS project and, accordingly, it agrees herewith to abide by those terms and conditions.

The signatory to this Model Agreement hereby affirms that he or she is authorized to enter into this agreement on behalf of the entity named below.
